La casa della luce.

Masiero è una storia italiana di passione, eleganza, tradizione e successo nell'arte dell'illuminazione, riconosciuta e scelta in tutto il mondo. Il prestigio made in Italy delle sue creazioni, ispirate alla più antica arte veneziana, è un'eccellenza curata ogni giorno, con dedizione, gusto e stile impeccabili. Perché dare forma alla luce illumina di bellezza.

The house of light.

Masiero is an Italian story of passion, elegance, tradition and success in the art of lighting, recognised and chosen throughout the world. The made-in-Italy prestige of its creations, inspired by the most ancient Venetian art, is an excellence carefully tended day after day, with impeccable dedication, taste and style. Because giving form to light means illuminating beauty.

Masiero Dimore.

Quando si parla di bellezza, si guarda, si percepisce, si ascolta, si sceglie. Il dialogo nasce tra animo e mente, e a volte nemmeno riusciamo a decifrarlo con certezza. L'emozione investe, ed è un attimo. Va oltre canoni, concezioni, scuole, stili, letture estetiche. La bellezza arriva all'improvviso e fugge la definizione. E quando è così non ha tempo.

Perché, come il tempo, non vive di confini, ma di contesti, e non esiste in sé, ma nella relazione, quella che crea con i nostri sensi. La bellezza arriva all'improvviso e cambia sempre qualcosa. Aggiunge, innalza, apre. Rende unica la nostra percezione, in quell'attimo ci appartiene. Trasforma, sconvolge, illumina. La bellezza arriva all'improvviso e porta la luce.

In ogni dove, in ogni quando, in ogni sé. Ieri, oggi, domani. Masiero.

Masiero Dimore.

When talking of beauty, you look, you perceive, you listen, you choose. A dialogue between heart and mind is born, and sometimes we cannot even decipher it with certainty. Emotion washes over us and it is an instant. It goes beyond canons, conceptions, schools, styles and aesthetic interpretations. Beauty comes to us unexpectedly and avoids definition. And when this happens, there is no time.

Because, like time, it is not nourished by frontiers, but by contexts. It does not exist in itself, but in the relationships it creates with our senses. Beauty comes to us unexpectedly and always changes something. It adds, it elevates, it opens. It makes our perception unique and in that instant, it belongs to us. It transforms, disturbs and illuminates. Beauty comes to us unexpectedly and brings light.

In every place, in every moment, in every self. Yesterday, today, tomorrow. Masiero.
